International Journal of Christianity & Education

http://journals.sagepub.com/home/ice

About the Journal

The International Journal of Christianity & Education aims to be the first point of reference for academic discussions of the relationship between Christianity and educational theory and practice in formal and informal settings. It publishes high quality articles across a wide range of educational contexts, including but not limited to primary, secondary, and tertiary educational institutions. Scholarly articles of all kinds are welcome including theological, philosophical and sociological discussions and qualitative and quantitative empirical research.

Benefits of Publishing
- Rigorous peer review of your research
- Prompt publishing
- Multidisciplinary audience
- High visibility for global exposure
- Indexed in the Emerging Sources Citation Index

Specific articles required
