

Have a question but not sure who to ask?

Queries for a Specific Journal

For questions related to:

- Turnaround times
- Preparing your manuscript for submission
- Scope of your paper
- Submission process

Please see the manuscript submission guidelines for the journal that you are interested in.

Each of our journals have a SAGE Track submission system and/or journal contact email address where you can direct questions for that specific journal.

Search via title or browse our full list of journals on the [SAGE website](#)

Open Access Queries

For questions related to:

- Submitting an Open Access article in a subscription Journal
- Article Processing Charges
- Funding
- Re-use of Open Access content
- For commercial reprints or eprints please email reprints@sagepub.co.uk

✉ openaccess@sagepub.com

Subscription Queries:

For questions related to:

- Changes to account (billing & shipping address)
- Claims for missing print copies
- Processing of subscriptions refunds
- Pricing requests

✉ UK: subscriptions@sagepub.co.uk
US: journals@sagepub.com

Production Queries

For questions related to:

- Date of publication
- Corrections
- Error in manuscript
- Article proofs

✉ authorproductionqueries@sagepub.co.uk

Permission Queries

For questions related to:

- Sharing your article
- Permission to use SAGE content (if unable to request permission via [RightsLink®](#))
- Prior publication

✉ UK: permissionsUK@sagepub.com
US: permissions@sagepub.com

General Queries

For questions related to:

- SAGE Track, including log in information
- Peer review process
- SAGE publishing policies
- Submission to the Journal
- Article indexing

For questions related to your article/journal content please email the journal editor.

You can find the editorial contact email address in the manuscript submission guidelines for each journal. See our full list of journals on the [SAGE website](#)
