2019 Product Offerings

PRINT

Extend your brand's awareness through display advertising in the print journal. Additional high-impact opportunities include *cover tips*, *bellyband wraps* around the journal, and *inserts/outserts* polybagged with a journal issue.

DIGITAL

Online Banner Ads Interact with your audience online with a *leaderboard* or *skyscraper* banner ad placed on a Journal homepage hosted on the SAGE Journals platform. Custom expandable and roadblock banners may also be available.

E-Newsletters Endorse highly respected research and organizations in your market with a single sponsorship to a Society endorsed enewsletter.

eTOC Alerts Bring your product to the forefront by placing a banner ad on a Table of Contents Alert email, the first touch a subscriber receives when a new issue is made available online and prior to the print issue mailing.

INDUSTRY EDUCATION OPPORTUNITIES

Sponsored Collections As an industry partner, you have the opportunity to provide open access to leading peer-reviewed content from SAGE journals. This Journal sponsored collection allows you to highlight specific articles and research pertinent to your business and product lines. You will receive Sponsor recognition on the journal home page with links to the Collections page, where your company will be recognized through a leaderboard or skyscraper banner ad.

Article Reprints Provide your target audience with article reprints discussing specific products, therapies, or topics related to your company as additional marketing collateral. Reprints can be provided in print, online, and even translated into a local language for a key market.

Pocket Article Add customer value with a Pocket Article Card at your next conference or customer event. This handy business card is a convenient way to brand your company and website while providing industry knowledge to your customers with access to a free article.

Supplements Peer-reviewed journal supplements provide you with a credible, objective means to publish themed-articles on topics related to your company's business.

Sponsored Subscriptions Partner with a SAGE society journal and identify yourself as an educational partner in your field by sponsoring a full-year print subscription for your target audience. Your sponsorship will be recognized with a company-specific communication polybagged with the first issue as well as recognition on each cover issue throughout the year.

Microsites Brand your company as the leader in the field by developing a destination website that focuses on a specific topic in your industry. Relevant journal content from all SAGE journals and links to Sponsor-specific information such as webinars, product information, and corporate sites, will populate this microsite.

REQUIREMENTS FOR ELECTRONIC DELIVERY:

General Instructions:

A High Resolution Press-Ready PDF is required for all electronic ad submissions. All fonts must be embedded. Minimum required image resolution is **300 dpi** for color or grayscale images and 900-1200 dpi for line art (1-bit) images. All color files must be created and submitted to publisher in **CMYK** color mode. Publisher will convert ads submitted in RGB but is not responsible for color reproduction on these ads. 2-color ads (standard) must be provided as black plus 100% cyan, magenta, or yellow.

Image Size/Crop:

Digital art files should be cropped to remove non-printing borders. Art should be created or scaled to the size intended for print. Image orientation should be the same as intended for print. For ads that are intended to run off the page, a 1/8" minimum bleed is required on all sides.

Proof Instructions:

Color Ads: An identifiable SWOP-certified proof (Specifications Web Offset Publications—www.swop.org) must be supplied with the final digital file. If a SWOP-certified proof is not supplied, then the publisher cannot guarantee correct reproduction of color. Any omissions or color deviation from a submitted proof, other than a SWOP-compliant proof, will not warrant compensation to the advertiser.

B&W Ads: A hard-copy proof the same size as the digital art must be supplied with the final digital file.

File Submission Instructions:

Please supply files on one of the following media: CD-ROM or e-mail. Please include a SWOP-certified proof with your digital submission. If e-mailing artwork, then send the proof in a separate package in the mail.

BIND-IN CARDS AND INSERTS:

All bind-in cards and inserts are jogged to the head. All bind-in cards and inserts must have 1/8" trim beyond the crop mark area of the Head, Foot, Gutter and Face of the advertisement. Perforations must be 3/8" from gutter.

All live copy should be no closer than 1/4" from the trim.

For inserts, 70# coated stock is the minimum weight and 110# coated stock is the maximum.

POSTAL REQUIREMENTS OF BUSINESS REPLY CARDS:

Final size of all BRCs must be 4 1/4" h x 6" w.

Minimum paper weight is 7 pt.

Recommended stock is 75# hibulk. It meets the requirements set forth by the USPS for reply cards.

Publisher is not responsible for any errors in reproduction if artwork is not provided according to the above specifications.
