

Annals of Neurosciences

Call for Papers

Editor-in-Chief:

Dr Akshay Anand

Professor, 3012, Neuroscience Research Lab, Research Block B,
PGIMER Chandigarh

Annals of Neurosciences by Indian Academy of Neurosciences and published by SAGE Publications invites scholars and practitioners to contribute articles to the journal. The journal is a multidisciplinary, single blind and peer-reviewed, open access journal, published quarterly, that provides an international platform for discussing recent advances in the neurosciences.

Annals of Neurosciences publishes wide-ranging original research results, reviews and opinions aimed at increasing our understanding of the neurosciences and encouraging the development of better diagnostic tools and effective treatments for neurological disorders.

We invite you to contribute research articles, reviews, commentaries, book reviews, molecular images, reports, and student's perspectives on published reports in the form of journal clubs and views to the journal, and also circulate this information to your colleagues in the academia.

The submission guidelines are [here](#)

Submission of manuscripts should be made electronically at aon@sagepub.in until the journal submission and processing platform is being developed.
