

SAGE Announces Call for New Editor of *Assessment*

SAGE announces the search for a new Editor of *Assessment*. This peer-reviewed and international publication has been servicing the field of clinical psychology in pursuit of high impact content since its establishment in 1994.

Transition to the new Editorial leadership would commence on January 1, 2024.

Assessment focuses on advancing clinical assessment science and practice, with an emphasis on information relevant to the use of assessment measures, including test development, validation, and interpretation practices. Articles cover the assessment of cognitive and neuropsychological functioning, personality, and psychopathology, as well as empirical assessment of clinically relevant phenomena, such as behaviors, personality characteristics, and diagnoses. The scope of the journal extends from the evaluation of individuals in clinical, counseling, health, and forensic settings.

2-Year Impact Factor: 4.282

5-Year Impact Factor: 4.874

Applicants should send a letter of interest with an attached copy of their CV to Danielle Bath, Publishing Editor, at danielle.bath@sagepub.com by May 1, 2023. Please put “ASM Editor Application” in the email subject line.
