### About the journal

*Hand Therapy* is an essential journal for anyone working in orthopaedics, plastic surgery, rheumatology and rehabilitation with a specific focus on the upper extremity.

*Hand Therapy* is an internationally leading, peer-reviewed journal dedicated to the publication of review articles, research articles, audits and case reports covering all aspects of hand rehabilitation and its related fields.

### BAHT Mentorship Scheme

BAHT Members will soon be able to benefit from a mentorship scheme. Details will be circulated via the BAHT website and e-bulletin shortly.

### Aims and Scope

*Hand Therapy* seeks submissions of original articles and short reports on the theory and practice of hand therapy and related fields. Suitable material is not limited to the practice of physiotherapy and occupational therapy for the hand, but includes related fields where these are a matter of interest to those in the practice of hand therapy.

### Submission process

Please visit the *Hand Therapy* homepage and carefully read the submission guidelines before submitting via the online portal.
