

CALL FOR PAPERS

Journal of Black Psychology

<http://journals.sagepub.com/home/jbp>

Published on behalf of the Association of Black Psychologists

The *Journal of Black Psychology (JBP)* publishes scholarly contributions within the field of psychology toward the understanding of the experience and behavior of Black populations. This includes reports of empirical research and discussions of the current literature and of original theoretical analyses of data from research studies or programs.

JBP publishes work in any of the areas of cognition, personality, social behavior, physiological functioning, child development, education, and clinical application, in addition to empirical research and original theoretical formulations outside traditional boundaries, all integrated by a focus on the domain of Black populations and the objective of scholarly contributions.
