

CALL FOR PAPERS

Journal of Career Development

<http://journals.sagepub.com/home/jcd>

Journal of Career Development (JCD) provides the professional, the public, and policymakers with the latest in career development theory, research and practice, focusing on the impact that theory and research have on practice. Among the topics covered are career education, adult career development, career development of special needs populations, career development and the family, and career and leisure. Research reports and discussion of theory are welcome, but practical applications must be presented.
