Editorial Home Transition

After six years at the University of South Florida, effective July 1, 2019 the Journal of Cases in Educational Leadership will be transferring to a new home at the University of Texas San Antonio. The new editorial team of Curtis Brewer, Mark Giles, Nathern Okilwa, and Mariela Rodriguez will take over operations. The editorial teams are collaborating closely in order to create a smooth and transparent transition. Please be aware that the editorial offices of the journal will be closed during the month of June in order to move all editorial functions to the University of Texas at San Antonio. The current executive editor will continue to consult with the new editorial team through the 2019 calendar year so that decisions on all manuscripts initiated under the current editorial team will be reviewed collaboratively. Thank you.
