Publishing in Association with Laboratory Animals Limited (<http://www.lal.org.uk/>).

Editor-in-Chief: Beat Riederer

Laboratory Animals is an Impact Factor ranked, international, peer reviewed journal. The journal promotes improvements in the welfare or well-being of the animals used, it particularly focuses on research that reduces the number of animals used or which replaces animal models with in vitro alternatives. It publishes original papers and reviews on all aspects of the use of animals in biomedical research.

Take a closer look at the journal with our **30 day free trial** www.sagepub.co.uk/freetrial
