

Call for Proposals: New Editorial Board Member of *Nutrition and Health*

SAGE announces the search for new Editorial Board Members for our journal, *Nutrition and Health*.

This peer-reviewed, quarterly publication has been servicing the field of nutrition and health in pursuit of high impact content since its establishment in 1982.

We are currently accepting Editorial Board Member applications for two-year terms, with the possibility of additional terms.

Nutrition and Health has provided researchers and practitioners with the most up-to-date, comprehensive and important research on nutrition and health, and its related fields. It publishes articles that relates to the full spectrum of the effects of diet and nutrition on health and disease.

As an Editorial Board Member of *Nutrition and Health*, we will ask you to: submit at least one research or review paper every 1-2 years themselves; review

delayed papers or make referee recommendations if unavailable; guest edit Special Issues/suggest Special Issue topics/suggest colleagues who may be able to guest edit; encourage colleagues and other contacts to submit articles; referee articles for the journal, according to expectations set out by editorial team; adjudicate on papers with conflicting reports when requested by the Editor; suggest names of suitable referees and obtain referees as requested; suggest possible candidates for the Editorial Board; keep the Editorial Board advised of relevant forthcoming events/conferences; keep the Editorial Board advised of current research activities that may be of interest to the Journal; provide their views on issues of journal policy; provide feedback on the progress of the journal; contribute ideas for the development of the journal, particularly in response to requests from the Editor-in-Chief; raise awareness about the journal; attend Editorial Board Meetings in person or by teleconference; and assist in the allocation of prizes.

Those interested in making an application should send a brief CV and cover email. Please outline any experience that you have to support your interest.

All enquiries and expressions of interest should be directed via email in the first instance to:

Kirstyn Malcolm
Associate Editor
