Description
Call for Empirical paper focusing on MSME segment for India’s one of the most prestigious and oldest International Refereed Research Journal.

SEDME Journal breathed its first in 1974, when the academic community of the institute (ni-msme) felt the need for a forum through which they could express and exchange their thoughts and opinions on small enterprise related policies, programmes, etc. Since then, it has evolved into a healthy journal of acknowledged quality in the domain of small enterprise, attracting contributors and users not only from every corner of the country but also from other developing as well as developed countries. SEDME is UGC Approved International Refereed Research Journal under the category of Business, Management and Accounting (all) and it is also indexed in different databases like EuroPub, WorldCat, Google Scholar and Scientific indexing Services.

SEDME Journal has been bringing out exclusive theme focused numbers (IPR, EDP, Rural Industrialisation, Finance, etc.) and is widely sought after by researchers, practitioners and promotional bodies concerned with small enterprise one way or the other.

We are pleased to announce the Call for Papers for “SEDME Journal”. This is committed to deliver high quality research findings and results to the world in the areas of Micro, Small and Medium Enterprises (MSME).
