STATE AND LOCAL GOVERNMENT REVIEW

journals.sagepub.com/home/slgr

State and Local Government Review (SLGR), peer-reviewed and published quarterly, provides a forum for the exchange of ideas among practitioners and academics that contributes to the knowledge and practice of state and local government politics, policy, and management. Of particular interest in SLGR are articles that focus on state and local governments and those that explore the intergovernmental dimensions of public-sector activity.

The journal is comprised of four sections: General Interest (research articles), Research Notes (shorter research pieces), Reviews & Essays (for both book reviews, reviews of literature and essays), and Governance Matters (more practitioner-focused pieces).

As part of SLGR’s commitment to assisting new university faculty and graduate students in publishing in academia and fostering productive research agendas, SLGR launched the Young Scholar Outreach Program to provide editorial consultation and guidance prior to submission of a manuscript.
